CLOSING QUOTATIONS OF MONEY.

Offerings and Sales at the Richmond Tobacco Exchange.—Internal Revenue Collection—Foreign Advices.

NEW YORK, April 4.—Money on call loaned easy at 3½ per cent; closing at 3 per cent. Exchange closed quiet but firm; rated rates, 48½ cents actual, 48½ cents for sixty days, and 48½ cents for demand. Governments closed quiet; current, 6½; 309 bid; 4½; coupons, 120½ bid; extended, 8½ registered, 100 bid.

New England, Reading, Erie, Northern Pacific preferred, St. Paul, Sugar Trust, Delaware and Hudson and Northwestern were the most active stocks during the morning's trading. These stocks were not only the most active but also showed the widest changes. The opening figures were generally fractionally higher, but the movement was soon lost. After the first few minutes, however, Delaware and Hudson began to advance rapidly and in a short time gained 10 points, closing at 105. The general list as a rule went slightly up in sympathy except in the case of New England, which declined ½ per cent, and then rallied fractionally. Northwestern closed 1½ points higher after an evident advance toward the end of the first hour to 105. During the second hour trading some of the list made further gains and noon prices were strong at the best figures of the morning. The market continued fairly active during the last half of the day. There was some fluctuation in some of the leaders by shorts and strays, but the market closed 1½ per cent. The advance, as compared with Saturday's figures, ranged from ½ per cent., the latter in Delaware and Hudson. The sales amounted to 350,000 shares.
